BUILDING SAFETY CERTIFICATE

To Whom It May Concern

This is to certify that the school building of Govt. ASHRM Higher Secondary School, Sankoo, District Kargil, UT Ladakh, has been constructed and is being maintained in accordance with the applicable building safety norms and requirements.

The school building is considered **safe and suitable for conducting educational activities**, including the regular functioning of classes, laboratories, offices and other school activities. The building and its premises are maintained properly, and necessary precautions are taken to ensure the safety of students, teaching staff and other employees.

It is further undertaken that the school shall comply with all applicable **building safety rules, regulations and standards** prescribed by the competent authority from time to time.

This certificate/undertaking is being furnished for submission to the **Central Board of Secondary Education (CBSE)** in connection with the **extension of affiliation** of the school.
